

Major Activities of Criticism

Describe

Express what you see in detail.

Analyze

What elements/principles did the artist use?

Interpret

What is the artwork about?

Evaluate

What is successful? What is not so successful?

Robert Cornelius, self-portrait, Oct. or Nov. 1839, approximate quarter plate daguerreotype. The back reads, "The first light picture ever taken." This self-portrait is the first photographic portrait image of a human ever produced.

Rose Sélavy (Marcel Duchamp). 1921. Photograph by Man Ray. Art direction by Marcel Duchamp. Silver print. 5-7/8" x 3-7/8". Philadelphia Museum of Art.
