# THE YES MEN

**The Yes Men** are notorious pranksters known for impersonating some of the world's largest corporate criminals, infiltrating their private meetings, and filming it all for the world to see. In addition to thousands of news stories about their antics, they've made three award-winning feature documentaries about their exploits: *The Yes Men* (2003), *The Yes Men Fix the World* (2009), and *The Yes Men are Revolting* (2015). They currently are operating a training program for aspiring mischief-makers, and will share some secrets of their *Trickster Academy* with the SIU community. Sponsored by Evil Twin Booking Agency.
